

Become a Volunteer Captain

We are searching for Volunteer Captains to help our staff in the warehouse who run our volunteer projects.

Volunteer Captains Should:

- *Be an established volunteer with Second Harvest Food Bank
- *Be available at least once a week
- *Be at least 18 years old
- * Be able to provide directions to our volunteers
- *Be able to utilize a manual pallet jack (not required but definitely helpful)
- *A desire to help make our projects run smoothly and effectively all while our volunteers are enjoying themselves.

If you are interested in becoming a Volunteer Captain, please see Mindy. Volunteers will receive a “Volunteer Captain” T-shirt after training is completed.
