# About the Second Harvest Young Professionals

## Who We Are

A group of charitable young professionals aged 21-40 dedicated to making a difference through action, awareness, and advocacy to support the mission of Second Harvest Food Bank of Central Florida.

Members grow as professionals and community leaders while supporting the Food Bank by volunteering their time, talent, and treasure.

## Our Purpose

We're part of a growing movement to fight hunger in our community. Whether by making sure our food bank has enough volunteers to distribute food into the community, raising much-needed funds to aid those facing hunger, or using our voices to advocate for the 1 in 8 Central Floridians who are food insecure, join us as we help to put an end to food insecurity.
